

Capital Football Skills Programme

Dear Parents/Caregivers

We have been given a wonderful opportunity in term 4. Qualified coaches from Capital Football will be coming into school and running a series of 8 lessons over 8 weeks for each of our classes. They will be teaching our children fundamental movement skills through football. It is a highly effective and highly recommended programme.

They have reduced the cost down to \$11.60 for the whole programme which is very reasonable. As I believe this will be a great experience for our children the school will further subsidise the cost by another \$4.60, so the cost will be:

\$7.00 for the eight lessons.

The programme starts week 1 of term 4. Therefore can you please make sure your child brings the \$7 with the tear off slip below by the end of Term 3, 25th September.

Kind Regards

Steven Caldwell
