

Principal's Corner

Dear families and friends of our school

A warm welcome back to Term 3 which promises to be a busy and fun packed term! The winter weather is here and with that the usual colds and sickness occur. Please remember to keep your children at home until they are fit for school and use one of the many tools available to inform the school if your child is absent.

Welcome to Fox, Drake, Matteo and Riley. May & Lily have also returned after spending a term at a school in China!

We have started the first week with "House Day". It was fantastic to see all the colour and action at the various House Day activities. Well done to all the teams. As usual, it was very close in terms of placings. A huge thank you to our senior students for organising the day and the various activities.

Education Review Office:

The Education Review Office or ERO will be visiting our school during the week beginning 26th August. ERO visit schools on a 3 yearly basis and conduct an audit of how schools are performing. I am looking forward to their visit so we can show off what a great school we have.

Life Education:

We have confirmation that Paula and "Harold the Giraffe" from the Life Education Trust will be visiting us in week 5 & 6. This is compulsory for all children at a cost of \$4.00 per child. Topics for juniors is "personal hygiene" & seniors in "personal hygiene and self belief". For those of you who are new to school life, Life Education is a charity that provides children with the knowledge to make informed choices about their health, respect others and learn to appreciate their uniqueness. Nga mihi nui ki a koutou - warm regards to you all

Steven Caldwell

Principal

Student of the week

Ella Room 10 Year 7

The student of the week this week comes from Room 10.

You have a kind and genuine nature that means that you really do get along well with everyone in your class, as well as any adults or students that you come across in the school. Your great attitude is a credit to you and sets a fantastic example for other students. You are a true senior role model!

You are creative and love to write in an imaginative way and spend lots of time creating extremely detailed illustrations to provide the reader with lots of details about your written work. When it comes to your school work, you like to make sure that what you have done is the absolute best that you can do. Even if you need to put extra time into your work, you will do so!!

You are a great one for assuming extra responsibility around the classroom and keeping a keen eye and/or ear out for opportunities to help make things run smoothly. Any duties that you have are always completed to a high standard.

Well done Ella, keep up the good work!!!

Congratulations to our Whiz Kids from last week:		Congratulations to all those students who gained certificates in our graduate profile "Acknowledges the Treaty of Waitangi"
