

Principal's Corner

Dear families and friends of our school

- Sensible Parking**
Please make sure you are parking legally outside of school during drop off and pick up times, especially when it is wet. It is very hard for our road patrol students to do their job when cars are parked in the wrong areas or too close to the actual crossing. If you are asked to move from where you are parked it is because where you are hinders the view of our road patrollers. It doesn't matter if you are there for 30 seconds you cannot park there. There have been incidents lately where some parents have argued with staff or parents on road patrol duty. I will have no hesitation in ticketing these parents. I'd much rather that than one of our students get hit by a car. Thank you for your co-operation.
- PB4L SCHOOLWIDE:** As part of our schoolwide PB4L initiative, we will be promoting four values that will be a 'part' of our school community. Next week, every class will be learning about the value of **AROHA**. Teachers will be explaining what this is - what does it look like in our school? What would you hear? How does it make you feel? There will be a range of activities to enhance our students' learning throughout the week. We encourage you to discuss what aroha is and promote this value at home.
- Harold / Life Education:**
As you will be aware, next week the students will be visiting the Life Education truck. These are always fun and educative experiences for the children. If you haven't paid for the Life Education visit can you please do so at the office. The cost is \$4.
- Kaboom Percussion concert :** We are excited that Kaboom will be visiting our school on **FRI-DAY 6TH SEPTEMBER AT A COST OF \$6 PER STUDENT**. These shows are designed to inspire and amaze, showing the exciting possibilities of music through the fascinating world of percussion. Students and teachers alike will be captivated by their unique brand of music, combined with elements of magic, juggling, and comedy to create an unforgettable experience that students will rave about. It features a wide range of traditional and found percussion instruments, with a focus on creating incredible music with simple and common objects. The aim is to show how easily students can make music with things in their own environment.

Nga mihi nui ki a koutou - warm regards to you all

Principal

Student of the week

Axel Room 7 Year 2

Axel, I am so impressed with your new can-do attitude. You are overflowing with self-belief and positivity that the whole class has noticed. When I asked the students in Room 7 who they thought deserved to be student of the week, several students said your name. The reasons they gave were - Axel is a good friend, Axel is kind and happy and Axel helps me. I love how confident you have become and how much effort you are putting into your work. You are striving to constantly improve your learning and grow as a person. I am super proud of you Axel.

Keep up the hard mahi.

Mrs Mac

Congratulations to our Whiz Kids from last week:		Congratulations to all those students who gained certificates in our graduate profile "Acknowledges the Treaty of Waitangi"
