## **Enrolment Scheme**

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

### **Purpose and Principles**

- A. To avoid overcrowding or the likelihood of overcrowding at the school;
- B. To ensure that the selection of applicants for enrolment at the school is carried out in a fair and transparent manner; and
- C. To enable the Secretary to make best use of existing networks of State schools.

In achieving its purpose, an enrolment scheme must, as far as possible, ensure that:

- A. The scheme does not exclude local students: and
- B. No more students are excluded from the schools than is necessary to avoid overcrowding.

### **Home Zone**

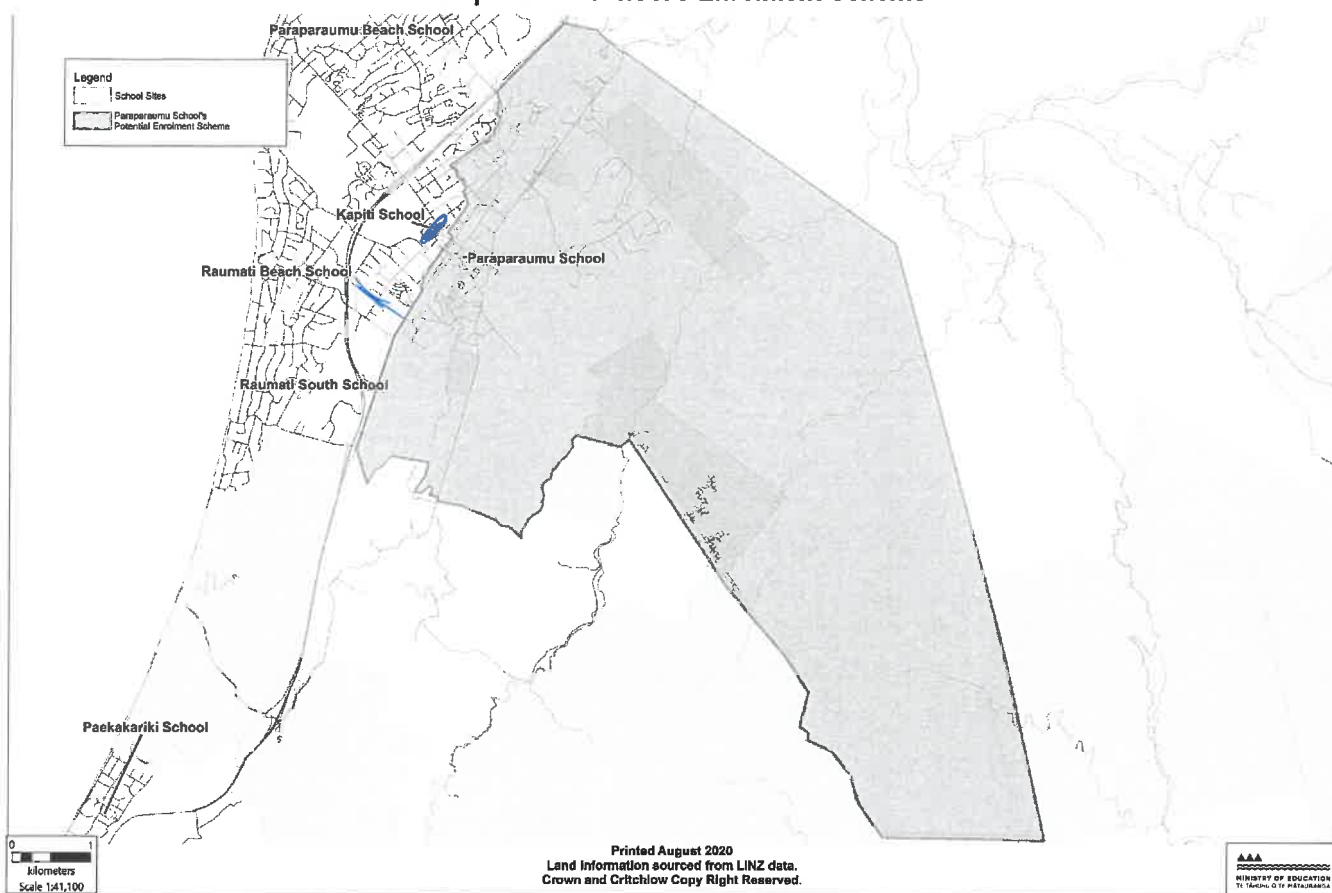

**All students who live within the home zone described below shall be entitled to enrol at the school (All numbers are inclusive).**

In the North the enrolment scheme follows Otaihanga Road South East. Otaihanga Road addresses 220, 240, 250 are in zone (all other address are out of zone). The scheme then across country to the Kāpiti Coast District Council and Upper Hutt City Council boundaries Nikau Valley is in zone.

In the South the scheme run across country from the Kāpiti Coast District Council and Upper Hutt City Council boundaries to intersect with Valley Road (All addresses on Maungakotukutuku Road are NOT in zone). Address 80-261 Valley Road are in zone.

In the West the scheme runs along Old State Highway 1 (Address 46-239 Old State Highway 1 are in zone). The scheme runs along Amohia Street (all addresses are in zone), the scheme then turns North West and runs along Tutanekai Street (all addresses in Tutanekai Street are in zone). The scheme then runs along Arawhata Road (Address 59, 61, 63 and 64-170 are in zone). Roads south east off Arawhata Road are in zone. The scheme follows the road as it turns into Mazengarb Road until it intersects with State Highway 1 (Kāpiti Expressway). Addresses 353-416 Mazengarb Road are in zone. The scheme then runs along the Kāpiti Expressway to Otaihanga Road.

## Paraparaumu School's Enrolment Scheme

Proof of residence of a property within the home zone will be required (for example a copy of a utility bill with the name of a parent or guardian and an address within the home zone, covering the date of enrolment or earlier). Where a property has two or more entrances on different streets, or where the actual address of a property is in dispute, only the rateable address as recognised by the local City Council will be considered to determine if the property is in or out of zone.

### **Special Programmes**

Students who live within the school's home zone and meet the criteria for enrolment in the special programme will be enrolled ahead of out of zone students.

Wilford School operates the following Special Programme:

#### **Te Whanau Kotuku – Māori Language Unit**

The criteria for acceptance into the Unit are as follows:

Te Whanau Kotuku is a Māori Language (Level 3 – Ministry of Education Language level) unit that specifically caters for tamariki Te Reo Maori language.

Students who wish to enrol in Te Whanau Kotuku at Paraparaumu School will comply with the following priorities and entry criteria. The maximum number of students that can be accommodated at any one time is currently limited to up to 60 students in Years 1-8.

### **Enrolment**

All enrolments into the Special Programme must be approved by the Principal, Roopu Tiaki Whānau representative (or delegated Whānau member) and the Whānau teacher.

Students who live within the school's home zone will be enrolled ahead of out of zone students.

## Out of Zone Enrolments

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school and on the school website. The notice will indicate how applications are to be made and specify a date by which all applications must be received. The notice may indicate how many places are available.

***Applications for enrolment will be processed in the following order of priority:***

|                 |   |
|-----------------|---|
| First Priority  | Will be given to applicants who have been accepted for enrolment in the following special programmes approved by the Ministry for Education:<br><br><i>Te Whanau Kotuku – Māori Language Unit Special Programme. Up to the maximum roll of 60 students.</i> |
