

Paraparaumu School

PRINCIPAL'S *Corner*

Dear families and friends of our school

Please note that the school will be closed on Friday 4th June—Teacher only day AND due to a Teacher Union Meeting we will close at 12:30 on Wednesday 30th June.

Cross Country: We had another very successful school cross country day yesterday. The weather was perfect and there were lots of parents and caregivers there to cheer on the children. Congratulations to all the students who made the interschool cross country team. I am looking forward to seeing them participate in the interschool cross country competition in a couple of weeks.

Touch Tops: We are still short of around 38 touch rugby tops. At this stage, we will not be able to fully uniform our

touch teams this season. Can everyone please have a good look around home and return any touch tops found.

Dropping children off at school: I have had reports of some parents dropping children off in front of school while still on the road and/or parking on yellow lines. Can I ask that this please stop. It is dangerous and may cause an accident. It also restricts the view our road patrol students have. We have had a pretty good run with dry drop offs and pick up times. However, if it is wet then you may just have to get wet. The alternatives which may include injuring a child is not desirable. Your co-operation is most appreciated.

Student Led Conferences—please remember to book an appointment.

Nga mihi nui ki a koutou — warm regards to you all.

Student of the Week

Amelia Room 8 Year 6

“If you have good thoughts they will shine out of your face like sunbeams and you will always look lovely.” – Roald Dahl

This quote by one of my favourite authors totally sums up Miss Amelia! When you think positively, that energy expands from within you. This glow makes you look beautiful, inspires others, and makes you a pleasant person to be around. I love the warm smile you give me every morning when I am taking the roll.

You have developed so much with your writing - I am so impressed with you getting stuck in and the awesome texts you are producing. I am also impressed with your enthusiasm during our Numeracy workshops. You challenge others with your thinking and perseverance to solve equations.

I enjoy watching you learn Amelia. You may find things challenging sometimes, however you never give up and you will ask for help when you need it. This is a sign of a young lady who wants to achieve.

You are a perfect example of a student who plays their PART!
