

# Paraparaumu School

## PRINCIPAL'S *Corner*

Dear families and friends of our school

**Please note that the school will be closed TOMORROW & MONDAY.**

**Due to Student Led Conferences the school will close at 12:30 on 23 June & a Teacher Union Meeting will also mean we will close at 12:30 on Wednesday 30th June.**

**Outside Tables:** Yesterday we took delivery of 6 news outside seating tables. These were provided to the school by our wonderful and hardworking PTA. These are a welcome addition to our school and will get loads of use by our students. I would like to thank the PTA for fundraising and organising these tables, it is most appreciated.

**Touch Tops:** We are still short of around 38 touch rugby tops. At this stage, we will not be able to fully uniform our touch teams this season.

**Dropping children off at school:** I have had reports of some parents dropping children off in front of school while still on the road and/or parking on yellow lines. Can I ask that this please stop. It is dangerous and may cause an accident. It also restricts the view our road patrol students have. We have had a pretty good run with dry drop offs and pick up times. However, if it is wet then you may just have to get wet. The alternatives which may include injuring a child is not desirable. Your co-operation is most appreciated.

Student Led Conferences—please remember to book an appointment.

Nga mihi nui ki a koutou — warm regards to you all.

### Student of the Week

India Year 1 Room 4

It is such a pleasure to be able to choose you for 'Student of the Week.' You have such a beautiful nature and I don't think I have ever seen you without a smile. You are always totally engaged in your learning and you are willing to help others who need help. India, you are such a helpful member of the class and I can always rely on you to do the right thing and to be a role model for others. You give awesome hugs and they always make my day happier. I know that all the Room 4 teachers and Helen and Joyce love them too. I love how far you have progressed with your knowledge of numbers over the short time you have been at school. You are one of my number experts for sure. You show aroha and respect towards everyone. You are a true delight to teach India and I know your school journey is going to be awesome.
