

Principal's Corner

Dear families and friends of our school

- Level 2 Restrictions**
 Thank you all for your patience and understanding during our latest move back to Level 2. Just to clarify one point of our Level 2 guidelines, when we mention the one sick all sick measure this refers all members of the family not just the children. Hopefully next week we can return to Level 1.
- Pick up and dropping off students**
 As our school continues to grow picking and dropping off students is getting a lot busier. I would again ask that everyone abide by the road markings in regards to where you can and cannot park. This is for the safety of all of our students and ensures that our road patrol students can do their job safely.
- Playhouse**
 Our awesome caretaker Craig has been very busy of late organising our new junior playground. He has also organised the installation of our new junior playhouse over by Room 5. It is a very cool addition to our school and has been getting lots of use by our students.
- Mathletics, Mathsseeds & Reading Eggs & Reading Express:** I do encourage you all to sign your child up for these web-based programs at \$25 for a whole year's access. It really does make homework exciting and helps reinforce what is being taught in class.
- Meet the teacher BBQ** - what a great evening we had last week night for our meet the teacher event! I would like to thank Shane for providing the awesome entertainment, Craig and team for cooking the sausages, Jo for doing the shopping, our teachers for happily giving their time and for all the whanau who were able to come along. If you were unable to attend I am sure your child's teacher would be happy to answer any questions you may have.

Nga mihi nui ki a koutou - warm regards to you all
