## PRINCIPAL'S *Corner*

However, if we see a large increase in COVID or the flu we may bring back the compulsory wearing of masks from Year 3 up. There is a lot of evidence now that masks do work. Keep an eye out for further communication in and around this. I will be updating as needed. I appreciate your co-operation with this, it is most appreciated.

Nga mihi nui ki a koutou - warm regards to you all.

PRINCIPAL

Dear families and friends of our school

Welcome back to Term 3. This year is whizzing by. We have lots of exciting things planned. We have the junior and senior winter tournaments, junior and senior movie nights put on by the PTA, Maths week and Maori Language week. Keep an eye out for details during the term.

### Mask wearing

As you may be aware, we are seeing an increase in COVID cases which has been compounded by the flu season. At this stage, the Ministry of Education has not reintroduced the mask wearing mandate, though it is still encouraged. Schools are free to make their own decisions on mask wearing. At this stage, we have decided to keep with the status quo, i.e. the choice of wearing masks is up to individual teachers, classes and students.

## Student of the Week

**Michael Dette**                      **Year 3**                      **Room 12**

Michael, you are a joy to teach because you are so positive about your learning and you always try your best. You listen carefully and respectfully and you follow our class treaty. You have learnt the importance of being responsible for your own learning and you can be trusted to work independently.

I love the bravery you have shown in beginning to speak up for yourself, ask questions and join in with class discussions. It has been an absolute pleasure to watch your confidence grow this year and I can't wait to see what you will do in future as you continue to make the amazing progress you have shown so far.
