Working B Saturday 8th October

It's time to re-bark our playgrounds. On Saturday 8th October, the middle weekend of the holidays, several loads of bark will be arriving at school. If you are available, Craig and I would love to see you there to give us a hand. If you could bring shovels and wheel barrows as well that would be great. We are looking to start around 9am. There will be refreshments available after the work is done.

Student of the Week

Kohl Year 7 Room 10
Kohl, you are a hard working and kind member of our Year 7&8 Hub. You're a quieter member of our team, however, this hasn't stopped you taking increased risks in your learning and actively taking on advice to continue to grow as a life long learner. You should be proud of this and the progress that you have made this year.

You have chosen 'effort' as your one word for 2022 and it is evident that you are engaging in your learning in positive ways. You have stepped out of your comfort zone, placed trust in your teachers and this is reflective in your progress. Your positivity and kindness towards others is appreciated by all. We look forward to continuing to see you stand tall and be proud of yourself, and we hope to see you place yourself in leadership roles as a Year 8 in 2023.

'Ko te manu e kai ana i te miro nōnā te ngahere, ko te manu e kai ana i te mātauranga nōnā te ao.' This whakatauki says 'the forest belongs to the bird who feasts on the miro berry, the world belongs to the bird who feasts on education.'

FOCUS OF THE FORTNIGHT

As part of our Positive Behaviour for Learning programme, every two weeks our tamariki will be focusing on demonstrating a particular PART value in the classroom, around the school and our community. Teachers will be giving out PART cards for this value plus the weekly PART certificate will be for exhibiting the value.

For the next two weeks we will be focusing on the value of Tūrangawaewae. We would love your support to encourage the use of this value at home!
