

Student of the Week

Rikihana

Room9

Year7

Riki, you are a delight to teach. You demonstrate all of the school PART values in everything that you do. You give new learning tasks a try with a positive attitude and a smile on your face. The progress you have made academically over the last year and a term has been substantial, and this is largely due to your resilience. You are a kind, caring member of Room 9 who looks out for your peers. I love how you are confident in being your authentic self. Never change! Keep up the fantastic work.
